

"News Flash!"

&/or

"News Bulletin"

Matters not. . . It's all about info:

Saturday, May 22, was a Clean-up leaving little untouched.

Even "The Olde Club House" sanctity was violated!
Our New "Property" Broom, Lynda Cartan, really swept-clean!
With the help of the Greg Horsley Gang, bags full of stuff-&-such
now await the big-truck!

Flower-girl Heidi Lycett, PLYC's distinguished Commodore, led the
charge to pretty-the-place with flowers, cut-grass and trimmed
edges!

The KITCHEN and INTERIOR Has never looked better! Due to the
expertise of Doris Horsley, Ginny Colling and helpers.

Barbie is scrubbed clean just waiting for Ken, and the
Wednesday-Nighters to turn on the gas! Thanks to Rob Ferguson
who's one guy not afraid of getting his hands dirty. . .

Ted Shepard, Jerry Coulson, Peter Van Oudenaren, Dave
Sunohara, Tom Lycett and others, this old-mind can see-but-not-
name, added their energy as well. Making it a very successful &
fun morning. . . Thanks to ALL!!

In the Afternoon: eight Keel Boaters sailed their first race of 2010
under good to fair conditions that seemed to reaffirm the pecking
order of 2009?? Not really sure about that. . . Enough already!!

Maybe what follows is more "Flash!" ???

Saturday, June 5, is PLYC's "Annual Open House and Pancake Breakfast!" This year, in conjunction with Bobcaygeon's big "Bringing In The Summer" event. Their parade starts at 11:am from the Legion.

In addition, PLYC will have a "Scow" on the main street staffed with Members to answer questions and promote PLYC, and Sailing. Wanna be a PLYC rep?

We hope PLYC Members will make this an occasion to hang-out at The Club and act as Hosts to those who wander down to see what PLYC is all about.

Any questions, or to volunteer, call a Board member or check our web site.

Roger Morrison, Communications
