

ILYA Championship regatta for M-16s News Flash June 21, 2010

M16 Sailors!

The ILYA Championship regatta for M-16s is still scheduled for July 9-11 at Pewaukee in Wisconsin. I regret that I can't make it, (due to serious illness),but I hope some Minnesota boats can go. The early entry deadline is June 26. Those skippers that haven't done an ILYA regatta get free registration if they contact Jim Smith by the June 26th deadline. Skippers still need to have an ILYA membership.

This regatta will be combined with the M-17 Championship and the Spring issue of Scow Slants did not have an ad for the M-16 regatta while it had a color ad from Melges promoting the M-17 regatta. It is all the more important to have a good M-16 turnout.
