2010 Race, Regatta and Event Schedule

Overleaf is the Race, Regatta and Event schedule for the 2010 sailing season. Items of interest for each fleet are noted below.

Keel Boat Fleet: Fleet Captain: Bruce Watson

Oak Shores raft-up and Sea food raft-up. Details set by fleet when season commences.

“Sail for Kids Sake”. This event needs someone to co-ordinate it for it to be on the schedule. If anyone is interested in taking the lead please let PLYC know.

Regatta’s. All 2010 regatta’s are open to all boats. Keel boats sail a different course to the smaller boats, but share a common start & finish line (this makes it easier for the committee boat). The Keel Boat course is determined on the day of the regatta by the keel fleet captain, race committee & regatta organizer.

Keel Boat Race Series. If the weather conditions are not suitable for racing on the indicated Saturday the make-up day will be the next day (Sunday).
