Sailing this Winter:

The New Jersey group are trying to organize some winter (or early Spring) racing for the M-16's. It will be at the Annapolis YC in Eastport. If you are interested contact Tim Faranetta at tim@lavalletteyc.org

Thought for the Day:

My Mom always told me to wear clean underwear in case I am in an accident and have to go to the hospital. Now that I think about it, wouldn't it be wiser just to carry clean underwear with you in case you are in an accident?
