## PIGEON LAKE YACHT CLUB - OCTOBER 26/09

### **Reminder:**

Don't forget these important dates:

Saturday, Oct. 31st. Docks Out at the club, 9:00 AM

Sunday, Nov. 8th, AGM at the club, 1:00 PM. Be there or get your proxy to someone.

Saturday, Nov. 14th, Annual Dinner/Dance awards night. Get your tickets from a Club Director

### **Apologies:**

My apologies to all the keel boaters. I missed sending a reminder about boats out. However, Peter Conquergood came to my rescue. (special apologies to Roger Morrison who did in fact remind me)

### **Big Thank-You to:**

Joe Bowland for building new horses for masts. I hear they are a work of art!

Fritz Mattern and Ray Scott who came to the rescue of several boats at the club that were not doing well in the heavy winds of the last few days. Mooring lines are not the place to economize.

The Keelers who pitched in during boats out.

### **Keel Boat Race Results:**

1st place goes to Bruce and Phil in "Sea Dog" with a 3/1/3

2nd place goes to Sandy and Pete in Javelin with a 5/3/6

3rd place goes to Jack and Eric with a 12/2/1

4th place goes to Jiri and Richard in Hoturo with a 2/12/2

### **Thought for the Day:**

Mary had a little lamb

Her father shot it dead

Now it goes to school with her

Between two slices of bread

(and other stories my Mother told me!)
