E-Boat Sails:

Just a reminder to the E-boat skippers in our club. I will be visiting Jack Zimmershied on (or about) the 30th of this month so if you are interested in any of his used sails, contact Jack at zimsail@aol.com and perhaps I can bring them to the club for you.

Plumbing problem ? :

Not quite, but we are still looking for a good used, two compartment Stainless Steel sink to replace the one in the club's kitchen. Just let Lynda (or any other Board Member) know you have one and will donate it to the club.

M-16 for Sale:

A 1987 Melges M-16, all refinished with new sails, brand new trailer and "clutched board lines" ?? whatever that is. They are asking \$3,500 U.S. but remember we are close to par. Contact Mike and Cathy O'Brien, 25 Bennett Lane, Little Silver N.J. 07727, The email address is marinemarine@optonline.net (not sure that email address is correct because I didn't get a response when I asked them what clutched board lines were.

M-16 masts:

I have heard from New Jersey that the new masts are being extruded the week of March 29th and the anodizing and machining will be done by April 16th. After that they are ready for shipping.

Volunteers:

The Board is still looking for club members to pitch in this summer and help out with various club endeavours. Talk to any Board member now so you can grab an easy job.
