### **Mun-dEEEE is EEEE Scow night**

Hey, want to have some real fun on a Monday night. Show up at the club between 5:30 and 6:00 PM, and jump on an E Scow. Everyone welcome and smiles are free.

### **Name that Building**

The building known as "**The Old Clubhouse**" located near the keel dock, needs a better name. This building was originally located on the Bobcaygeon Fairgrounds where it was used as an announcers booth for many years. It was used as the main PLYC Clubhouse, also for many years, before our lease was expanded to include the present clubhouse building. Proposals for a new name for this building are being sought. Send your suggestion to [cpconquer@nexicom.net](mailto:cpconquer@nexicom.net)

### **Scary !!!**

I thought I saw our favourite Opticians, Faye and Rob on a Alaskan Island but it turned out to be an "*Optical Aleutian*"

### **Website:**

There continues to be a struggle to get switched over. The new site is ready, but we are having administrative problems getting the Service Provider switched over. We apologize for the difficulties.

### **Event for Jim Gordon**

To all members & friends of Jim Gordon. Please mark your calendar & join us at PLYC.

**Event:** To Fete Jim Gordon

**Time:** Wednesday July 1<sup>st</sup> after the Scow races

**Place :** PLYC

Hamburgers will be available after the race as usual & a special cake with a commemorative greeting will also be served.

Please remember to sign Jim's card, so at a later date he will be reminded of your presence at this event.

*Note:* Some members may not be aware that Jim lost his wife last year & has moved to a seniors' residence in Lindsay. Ruth was a contributing member of PLYC for many years!

Jim is no longer well enough to continue sailing, but has maintained his social membership.

For more information contact Jack Bruyea.
