

"News Flash!"

Something new, I think???

Supplement to the Telephone Call-out, to remind our Electronic-folks of the need for VOLUNTEERS to attend to duties that will make July 10th's Regatta a success for its Sailors. . .

Particularly Food-folks are needed to tend to 3 Meals! (1 at a time :-)

And a Registrar to Sign in the Contestants!

Also be thinking "August 7" for:

PLYC's, "Invitational Regatta"

Again, Mike's (Y)our Man... Above number. . . * * * * *

* * * * *

For New Members, and for those of us who tend to forget & often take for granted:

The guy who regularly takes (y)our trash bags and barrels to the curb is, *Phil Maguire*.

And, (y)our Yard-man is ever-faithful *Don Forgie*. Who when not raking the Scow-Lot, or cutting grass, is (y)our ever-on-call "Committee Boat Captain."

Without these two stalwarts (and our many others) PLYC

wouldn't be the great club that it is . . . **"Thanks guys!"**
