

"News Flash!" June 13, 2010

Thanks to all who gave us their "Feed Back" re July 10's Regatta Cancellation. Your welcomed comments evoked serious discussion at last night's Board meeting.

As a result, an article, drafted by Mike Burton-Davies, outlining the history and spirit of the Regatta Tradition will be "Newsed" in the near future,

More gratitude, to all who met the June 30th deadline for PLYC fee payments. And, a kind-and-gentle-reminder to those who didn't. . .

Another reminder, "INVITATIONAL REGATTA" August, 7th!!

Check your web site for details.
