Many thanks to our "**Worker-Bees**" who readied the Club House for June fifth!

Don Forgie, for moving the BIG PILE of surplus top-soil!

Jack Bruyea, for painting the solarium window trim!

And, for installing tap-washers in the Ladies' Room, **???**

Congrats to Shelley and Jerry Coulson – trimaran sailors – celebrating their 50th Wedding Anniversary in Paris France!! That's nice! ;-)
