"Attention! Hear THIS!!!"

"The Old Club House" and surrounding grounds, will be the object of an intense Clean-out & Clean-up! Presumably near the end of this month. . .

Meaning not much time to ID anything YOU have within those confines that YOU want to keep. . .

Other wise they could fall victim to Lynda Cartan, PLYC's Property Director, and her *Able-to-move-anything-crew!* Forewarned et al!!!

One last thing: In sack-clothe and ashes I offer my regrets at not letting folks know who to thank for our recent sod-job at the Club House: our ever faithful Joe of-all-trades Boland,  
"Thank ya Joe!"
