Enjoy Maresme, SCP CIF:J65167033

Enjoy Maresme, through a host company with experience in this field, organizes flights in balloon. This is unique experience and unforgettable.

Situation of the activity

Only 30 minutes from Barcelona and 15 from Mataró, the starting point is located in Cardedeu. Flying at low altitude or over 1000 metres, the passengers may see the Pyrenees, the massif of Montseny and Montserrat, The Mediterranean Sea and sometimes Barcelona.

The Program

The activity begins early in the morning, in weekdays or weekends. Passengers who wish they can collaborate on preparations: the mounting and swollen balloon. Then we took for a one flight hour approximately. It is important to know that, the direction of the itinerary is marked by the wind. We will take a glass of Cava and enjoy a lunch once we landed. Finally a custom diploma will be delivered to each passenger and signed by the pilot of the balloon.
