Dear Parents,

I know there is still snow on the ground, but it is time to start thinking about Summer Programs! PCA has some awesome summer programs planned! You can drop off your information at our registration table. We will let you know if you owe us any paperwork at this time to ensure your child's file is complete! This summer will be offering:

The daycare side will have 11 weeks of summer fun activities! Each week will be a different theme based around a popular children's book. We will have exciting First Friday events EVERY Friday! We will incorporate water/sand play, theme related arts/crafts/games/songs, and we will have several special guests! The Pres-k I & Pre-K II camps will also go on a weekly walking field trip that relates to the theme! Below are a few examples of the Once Upon a Storybook themes:
