

# HIMNO DEL PALMACH

Misaviv yehom hasa'ar	All around us the storm rages
Ach roshenu lo yishach	But we will not lower our heads
Lifkuda tamid anachnu tamid	We are always ready to follow the orders
Anu anu Hapalmach	We are the Palmach
Mimetulla ad haNegev	From Metulla to the Negev
Min hayam ad hamidbar	From the sea to the desert
Kol bachur vetovv laneshek	Every fine young man to arms
Kol bachur al hamishmar	Every young man on guard
Netiv lanesher bashamayim	The path of the eagles in the heavens
Shvil lapereh bein harim	The path of the wildlife between the mountains
Mul oyev darkeinu ya'al	Against the enemy our path will rise up
Bein nikrot uvein tzurim	Between the rocks on the canyons
Rishonim tamid anachnu	We are always first
Le'or hayom uvamachshach	At dawn and that evening
Lifkuda tamid anachnu tamid	We are always ready to follow the orders
Anu anu Hapalmach	We are the Palmach
