About Knock On Wood Tap Studio

Since opening in 1994, Knock On Wood Tap Studio has continued to redefine conventional tap dance, serving a diverse student body

and offering classes for all levels and age groups in Silver Spring, Maryland. The studio is comprised of three tap studios, with state-of-the-art sprung maple floors. It remains one of only a few facilities of its kind in the United States.

About Knock On Wood Tap Classes

TAP is back! Tap dance is fun and gratifying - and great exercise! - for people of all ages and skill levels. We specialize in rhythm tap, a form of percussive dance that gives you the skills to make music with your feet. Drawing from a number of musical genres including jazz, blues, and swing, our classes help students develop skills in technique, basic steps, and combinations.

The mission of Tappers With Attitude, Inc., is to provide tap dance education and performance opportunities for dancers of all ages and abilities; to foster pride in cultural heritage among children, youth, and adults in the communities we serve; and to preserve and promote the uniquely American art of tap dance, with an emphasis on the jazz and rhythm tap tradition.

Yvonne Edwards ☆ Co-Founder
Courtenay R. Swinton ☆ Studio Director

Our programs are sponsored in part by funding from the Arts & Humanities Council of Montgomery County, The Max and Victoria Dreyfus Foundation, The Jim and Carol Trawick Foundation, & The Dallas Morse Coors Foundation.
