# Profile

As a Private Music Teacher and Graphic Designer (under the name of Desrene Dacres), I create music materials and visuals for students aged 5-15.

For adult pupils I create DVD tutorial programmes. I play and teach basic Piano and Acoustic Guitar.

I provide my own instruments. I offer advice as to where pupils can purchase their own instruments.

# The Easy Peasy Piano Course

Brochure contains A5 Booklet with text and visual graphics:

- One A5 leaflet with instructions.
- One A6 postcard with information, websites, contacts and links.
- One CD Audio Vision - basic animated text, visual effects and piano sounds. Animation was created using FLASH programme.

'The Easy Peasy Piano Course' CD can be used on all PC & Apple Mac Flash Player.

## **The Easy Peasy Piano Course - DVD Tutorials**

Available for mature pupils. This will contain Audio Visions and printable visuals.

## **Adults Tutorials**

Online lessons will be available soon. This will be available for all age groups.

# Music Workshop

## Professional Music Services

- Background Music Library – convert your music files to suit your needs.  
(For example: mp3, wav, midi, aiff, avi files).
- Customised Your Own Music for: Presentations / Audio Visions / Websites / iPod / iTunes / QuickTime / Film Production.

## Personal Music Services

- Instrumental music for a special occasion, (for example: Birthday / Anniversaries / Special Occasions / Church / Christenings / Weddings). Each CD contains approx. 2 to 5 music depending on length (eg. 2-3 mins. music can be up to 5 music per CD / 6 mins. music may contain 2 per CD).
- Choral Music Composition. SATB Voice Sheets. Easy to read and simplified music available on request. Reasonable price list. Midi files available.
- Background music or special effects for presentations.
- Guitar Chords Lyrics and Chords sheets. (Elementary Level).

## Music and Graphic Design Services

- Music CD or DVD Labels & Cover Design (Name / Date / Occasion / Title / Picture).
- Audio Vision – Praise and Worship. Get your favourite hymn or worship lyrics customised into a DVD audio vision – Film Script, Storyboard, Production and Post-Production, Music Composition (cost will depend on length of each film. Can contain between 1-3 videos per DVD).

\*See Online website for samples of Audio Visions.

# Tutorials

## **I teach very basic elementary levels:**

- Audio Visions (each DVD contains a short film footage, graphics, motion type and sounds)
- Percussion
- Listening Skills
- Posture and Positioning Skills
- Games and Fun Packs for primary pupils.

## **For adults tutorials are optional, for example:**

- One-2-one lessons - day, evening or weekend lessons
- DVD Tutorials Audio Vision - at the comfort of their own pace
- Online Tutorials - \*under construction.

# What Will You Learn?

**I teach very basic elementary levels:**

Each student will learn the basics:

- Learn about their Instrument (Guitar or Piano)
- Positioning
- Posture
- Understanding, hearing and remembering notes
- Basic reading notation techniques

# Areas Of Development

A stylized illustration of a hand holding a pencil, with a musical staff and a ruler visible in the background. The hand and pencil are rendered in a 3D, metallic style. The musical staff is a vertical grid of lines, and the ruler is a horizontal line with markings. The background is a dark, gradient-like shape that frames the central elements.

Each student will learn the basics:

- How to Read music.
- Understanding the 4 basics:
  - a) Pitch
  - b) Rhythm
  - c) Notations
  - d) Score Reading.
- Positioning and posture.
- Fun Maths development for young pupils  
*(fun basics between maths and music).*

# Other Instruments

I have some basic knowledge of various pipes and string instruments:

- Cello.
- 12 String Acoustic Guitar.
- Descant Recorder.
- Understand basic concept, harmony and theory of:

Violin  
Viola  
Xylophone  
\*Bass  
\*Oboe  
\*Flute  
\*Soprano  
Percussion  
\*Brass  
\*French Horn  
\*Harp.

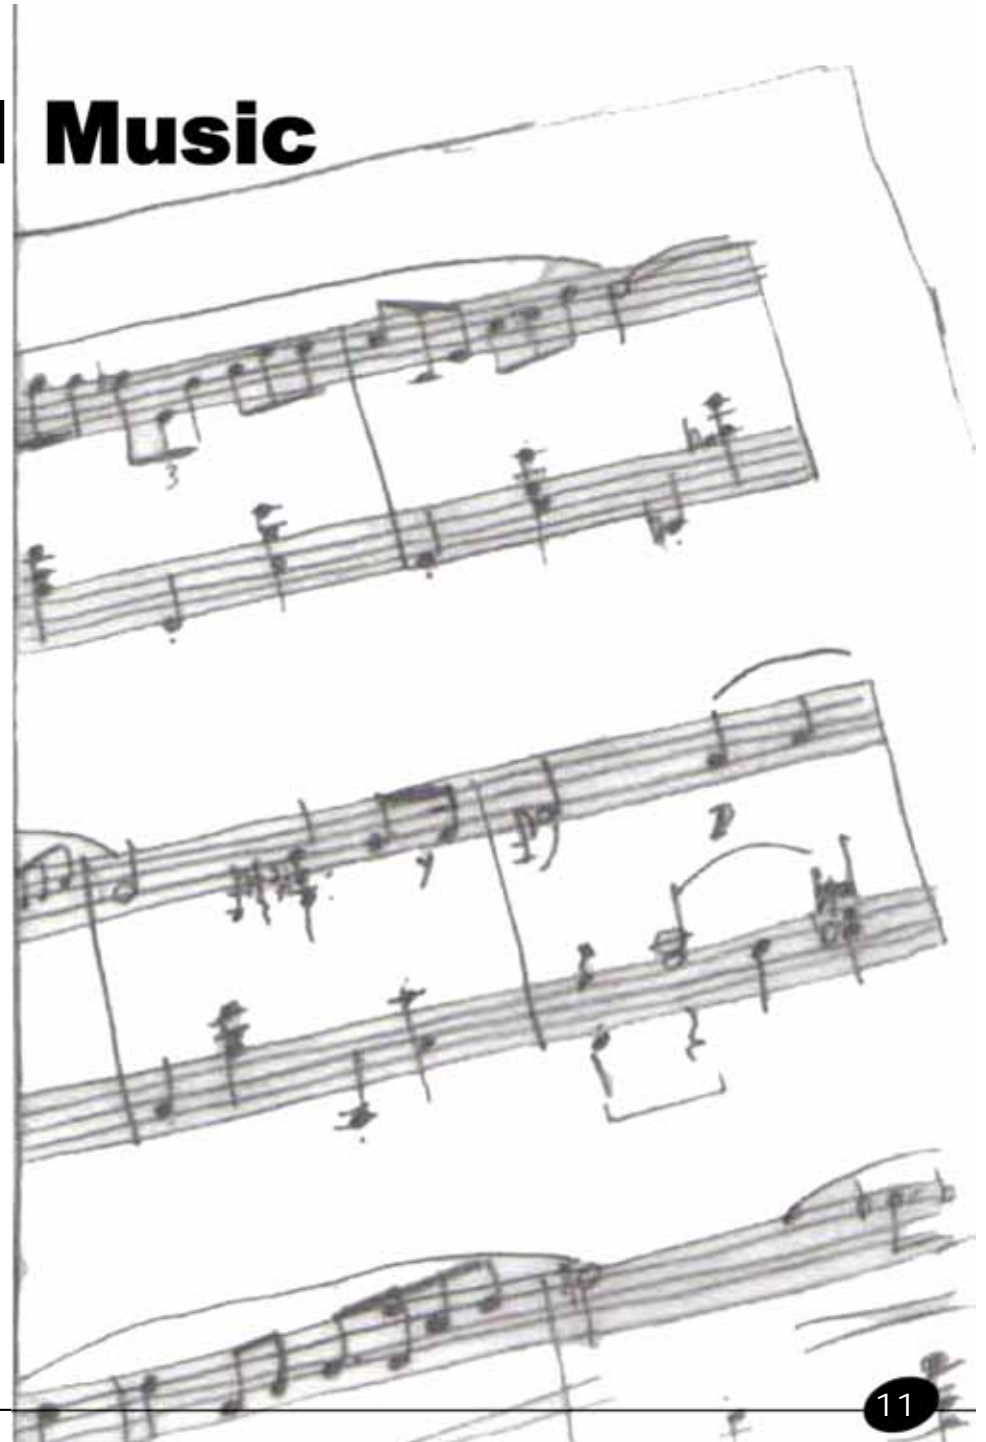

\* (how the instruments are used in ensemble music or compositions)

# Digital Music

**I compose my own music using software:**

- Finale Print Music / Finale Note Pad.
- Cuebase 4 / Wave Lab / GarageBand / Soundtrack Pro.
- Guitar Pro- MOTU CueMix Console- iTunes / Quicktime.
